Dear Inverness Residents,

We are the Inverness Community Association; a non-profit, volunteer organization which develops, sponsors and runs social, recreational and civic interests in the Inverness community. Since our founding in 1944, the Association has dedicated to providing community events that help define the unique character and community spirit of Inverness! You may have been to one of our events – maybe our most recent **Fall Halloween Fest**, where you could run through a bouncy house obstacle course, interact with the animals in a petting zoo or even get your face painted. All of course right in the neighborhood with other Inverness residents! As an organization we provide a number of great events throughout the year, including our ever popular **Easter Party, Concert in the Park, July 4<sup>th</sup> Fun Run and Ice Cream Social**. All these events are supported and run by our membership and faithful volunteers who give their money, time and energies to make these events a huge success.

**November kicks off our annual membership drive and we'd love your support!**

Membership in the Inverness Community Association provides the following benefits: A **copy of our "Red Book"**- a directory of Inverness residents and information about other Inverness Clubs and events in addition to **FREE** admission to all of our events. Non-members will be charged a \$10 admission to all events.

Our organization is only as strong as our membership and we'd love your support this next year so we can continue to provide these quality events for our community! **As an extra incentive, sign up before January 1 and get a \$5.00 discount on your yearly dues.** Our membership drive ends on March 15 and if dues are received before this time you are guaranteed correct inclusion in the "Red Book" directory published in late spring.

**Interested in volunteering?** On the back of the Membership Form, you will find the board and committee positions that are open for 2013. We'd love for you to join us! If you would rather help plan and run events, you can volunteer to help before and during any of our events!

We'd love your support for 2013!! Consider becoming a part of the Inverness community and become a member today. If you need more information about ICA, you can **find us on Facebook & our website [www.invernesscommunity.org](http://www.invernesscommunity.org)**

Sincerely,

**Mindy Stoms**
